

General Assembly

Distr.: FIR
11 April 2015

Resolution 6

Adopted by the General Assembly at its 3rd extraordinary meeting, on 11 April 2014

The General Assembly,

Bearing in mind the importance of maintaining peace and stability in the whole world,

Reaffirming principle of sovereign equality of states,

Stressing the importance of the cooperation by Member States of the United Nations in finding a solution to the problem,

Encouraging all nations to work in intercommunion,

Affirming that detected breaches of C4ISTAR systems threaten the international peace and stability as well as the welfare of international society,

Emphasizing an emergence of the controversial situation and the need to take actions in an urgent manner,

Acting under its special responsibility for the maintenance of international peace and security,

1. *Recommends* states to gather and process the investigations' information in order to find out whether these security breaches have something in common and calls all nations to bear in mind the danger of such occasions;
2. *Calls for* temporary blocking of all C4ISTAR systems to prevent possible future security breaches;
3. *Proposes* to create a united body under collective UN operation, which will carry out the investigation;
4. *Urges* all countries to reinforce the level of security by obligatory human participation in the launch process of missiles or exercise of any other attack;
5. *Calls for* UN members to consider these security system breaches as act of cyber terrorism due to its high level of threat for global peace;
6. *Strongly condemns* the DPRK which threatens to renew military actions that endanger the stability of the Asia-Pacific region, one of the pillars of the world safety;

7. *Calls upon* Member States of 6 party talks on the DPRK (China, the USA, Russia, Japan, South Korea, DPRK) and also France, Peru and South Africa to organise an emergency meeting with the DPRK authorities to allay tensions;

8. *Proposes* to delegate the question for the consideration of the SC in order to prevent the leak of the information and to create a strong coordination and control system;

9. *Proposes* to freeze all bank accounts and stop energy supplies of Google Inc. in order to provide security until the situation is resolved by diplomatic means.
